

SMAC Match Group Pre-Season Meeting Agenda

16th March 2018

Welcome to the 2018 pre-season meeting – we will run through the items discussed at the AGM along with any other points which are necessary for the upcoming season.

WWW.SOUTHMANCHESTERANGLINGCLUB.ORG.UK

1. **Club Accounting** – Ian Coleman to run through club finances
2. **Bonus Peg** – Current status with bonus peg
3. **New Bonus Peg proposal** – Pete Boggiano to present new potential club competition – “SMAC teams of 4”
4. **Fishing Holiday** – Deposit payment is due today £70 with the balance of £165 payable at the Partridge lakes match on the 13th May. Anyone not staying at MFL must pay £10 per day peg fee today – Please see the next page for full details of the holiday. If you have any questions please speak to Phil Zahra or Pete Boggiano.

5. **Booking on procedure** – Members will be sent the booking text message on the Monday prior to match day with a reminder on Wednesday if necessary. You will be required to respond ASAP but by Thursday at the very latest.

Any attempts to book on the match beyond this point will not be accepted and if you are not booked on a match and turn up on the day there will be no space for you to fish and you will be turned away unless you can prove otherwise.

Members who book on matches and do not book off without giving us 24 hours’ notice more than twice in a season may not be considered for membership next year their place may be offered to potential new members on the waiting list.

The above ensures all matches are pegged out fairly and gives the pegging out team enough time to ensure the sections are split correctly without wasting too much time on the day of the match.

6. **Match-day responsibility changes** – along with Pete and Phil, Carl O’Brien has offered to do the pegging out for matches – most of the pegging out will be worked out prior to match day with Carl fine tweaking it on the day – we’ll advise everyone of how many sections will be used on the day. Pete Boggiano will be taking the pools and super pools money on the day – even if you are not in the pools please check in to register! Paul Pannett will be doing the main pools pay-outs and Alan Hesling will be doing the super pools pay-outs– if you think you have come in the top 3 in your section or think you have done well in the super pools go and see them as soon as possible after the match.

7. **Pairs Tournament draw – draw to take place for 2018 pairs [17 pairs in total]**

Competition format:

- 8 out of first 10 matches count towards final weight
- Top 4 pairs go into semi-final fished over matches 11 and 12 with 1 out of 2 weights counting towards the final total
- The top 2 pairs fish a grand final on either match 13, 14 or 15 to be agreed by both pairs

8. **Meeting format change** – the AGM will now be moved to March with the November meeting becoming the presentation and re-joining night – there will be a few items discussed at the November meeting but we will keep this meeting a more enjoyable event!!! You will be required to bring £20 deposit to the November meeting if you are re-joining in 2019.
